Dear Mrs Saraç

PROJECT NO. 2/32885 – ½” Caterflex Hose & Sockets

I am pleased to enclose the Test Certificate TC/06/011 and Test Report TR/04/178 covering these products.

I would also take this opportunity to remind you to inform us of any future modifications made to these products which could affect the validity of the Test Certificate.

Our invoice for the testing of these products will follow in around a week.

As part of our ongoing commitment to quality, your feedback is important to us. I would therefore be grateful if you could complete and return the enclosed project feedback form.

Please note that in addition to our testing of these products, we can also offer use of the Advantica "Certification Mark". This involves ongoing production surveillance to demonstrate that your production models are also being evaluated on a regular basis. If you are interested in this service, we would be happy to provide you with a quotation.

Thank you for choosing Advantica Certification Services for this work and we look forward to being of assistance in the future.

Yours sincerely

G.D. McKay
